

## HEXIS AMERICAS TRAINING & CERTIFICATION 2021 DETAILS AND SCHEDULE

HEXIS Americas offers two separate training classes:

- SKINTAC (color-change wrap)
- BODYFENCE (paint protection film)

### SKINTAC Training Course

Learn and grow your business while our Platinum Certified HEXIS Trainers offer a full hands-on training with our SKINTAC cast color-change wrapping films as well as THE190EVO Cast Printable wrapping film with Take Heat Easy adhesive.

Get 1-on-1 training to learn tips, tricks, and techniques to wrapping all parts of the exterior of a vehicle (hood, fenders, doors, door handles, antennas, bumpers, etc.).

- This 3-day class is from 9:00am to 5:00pm daily.
- Lunch, drinks, and snacks are provided each day of training.
- You will receive a goody bag with marketing goods, HEXIS apparel, and tools to use and take home.
- You will also receive a Certificate of Training\* at the end of the class.
- 2 Certified HEXIS Trainers.
- 12 students maximum - for more 1-on-1 / hands-on training.

\*\*a Certificate of Training is not a Certification; a Certification is a separate test.

### BODYFENCE Training Course

The BODYFENCE paint protection film is one of HEXIS' fastest growing products in the catalog.

Get 1-on-1 training on how the film works, what it can do, and how to install with ease and efficiency. Learn to install on all exterior parts of a car (80% bulk and 20% precut with HEXIS Design precut software) and receive business sales and marketing strategies.

- This 3-day class is from 9:00am to 5:00pm daily.
- Lunch, drinks, and snacks are provided each day of training.
- You will receive a goody bag with marketing goods, HEXIS apparel, and tools to use and take home.
- You will also receive a Certificate of Training\* at the end of the class.
- 2 Certified HEXIS Trainers.
- 12 students maximum - for more 1-on-1 / hands-on training.

\*\*a Certificate of Training is not a Certification; a Certification is a separate test.

To register and reserve your spot in a class or certification, email: [info@hexisamericas.com](mailto:info@hexisamericas.com)

Student Name and Signature: \_\_\_\_\_

### Certification

A Certification is a 6-hour test on your choice of SKINTAC or BODYFENCE knowledge and application. This two-part certification consists of:

1. Written Exam: 40 question (multiple-choice) written test on product specs, preparation, application, and removal.
2. Practical Hands-on Exam: Preparation and application – according to the HEXIS Application Guide standards.

Students who fail any of the above exams are entitled to one retake (no extra cost) - on the same day or at a later date.

Students who pass the exam will receive a HEXIS Certification Certificate, be placed in our certified installer network & website, have access to new & pre-launch releases, given sales leads when available, be invited to HEXIS special events and trade shows, as well as receive special pricing purchasing through participating distributors in the Americas.

Students do not have to have prior training to attend a Certification. Students are encouraged to bring their own tools. HEXIS will provide only basic tools, a vehicle, and test space.
